MAD GHOST

THE FINAL FATE OF JUNKYARD JOE...

Next issue, the extra-sized conclusion to the first chapter of Junkyard Joe's adventures! Bonds will be forged and broken, secrets will be revealed, and blood will be shed. It all comes to a head when Joe is forced to reveal himself to a world that isn't ready for him... and he'll also have to face a government program long forgotten, resurrected to destroy him. All along with an epilogue in issue #6 that you won't want to miss.

Everyone at Mad Ghost truly thanks you for your support and for spreading the word on JUNKYARD JOE. It's meant a lot to us that it's resonated with so many.

We're also incredibly excited to tell you to keep your eyes out later this year for GEIGER: GROUND ZERO from Mad Ghost and Image Comics. A special two-part action-packed series written by me and illustrated by Gary

Frank that will delve into the earliest explosive days of Geiger as he struggles to understand the great and dangerous living weapon of mass destruction he has become. It will not only shed light on the origin of Geiger, but also some of the rest of The Unnamed, as well as both their friends and enemies.

Finally, if you haven't picked up this month's BLOOD TREE #1 yet by my good friend and writer extraordinaire Peter J. Tomasi and artist Maxim Šimić, with an amazing variant cover by Gary Frank, I highly recommend it. As Pete himself describes it, it's a battle between Nature versus Nurture, as a seasoned NYPD Detective becomes consumed with the hunt for a vicious murderer called the Angel Killer who is preying upon the innocent family members of known murderers. If you like DEXTER, which Pete and I binge watched together, or SEVEN, I think you'll like this.

Mas para um grande mal ser detido, suas histórias devem ser contadas. De um homem de família radioativo em um futuro próximo a um assassino britânico durante a revolução americana a uma máquina assassina em busca de seu criador - e mais - eles são os Anônimos lutando na guerra Desconhecida.

GHOST

A neon sign is mounted on a dark brick wall. The word "MAD" is rendered in a light blue, hand-painted style with visible brushstrokes and drips. Below it, the word "GHOST" is made of bright orange neon tubing in a classic, slightly stylized font. A black power cord is visible at the bottom right of the sign.
